8 commission may reduce or eliminate any limitation on eligibility to receive a grant under this sec-
9 tion that was previously imposed by the commission under subsection (9)(a) of this section.

8 “**SECTION 3.** ORS 348.180 is amended to read:

9 “348.180. As used in this section and ORS 348.205, 348.250, 348.260 and 348.263:

27 Coordinating Commission.

28 “(2) Under the program, the cost of education of a qualified student shall be shared by the stu-
29 dent, the family of the student, the federal government and the state.

30 “(3) The [*Director of the Office of Student Access and Completion*] **commission** shall determine
31 the cost of education of a qualified student based on the type of eligible post-secondary institution
32 the student is attending. The cost of education equals:

33 “(a) For a student attending a community college, the average cost of education of attending a

1 “(B) The number of hours of work that the [*director*] **commission** determines may be reasonably
2 expected from the student; and

3 “(C) The amount of loans that the [*director*] **commission** determines would constitute a man-

5 “(b) The student shall determine how to cover the student share through income from work,

7 “(c) The student share for a student who attends a community college may not exceed the
8 amount that the [*director*] **commission** determines a student may earn based on the number of hours
9 of work reasonably expected from the student under paragraph (a) of this subsection.

10 “(d) The student share for a student who attends an eligible post-secondary institution that is
11 not a community college may not exceed the sum of the amount that the [*director*] **commission** de-

13 of hours of work reasonably expected from the student under paragraph (a) of this subsection.

14 “(5) The [*director*] **commission** shall determine the amount of the family share. The family share
15 shall be based on the resources of the family.

21 “(b) The [*director*] **commission** shall establish a minimum amount that a student may receive
22 as a state share. If the [*director*] **commission** determines that the amount of the state share of a
23 student is below the minimum amount, the student may not receive the state share.

24 “(c) The [*director*] **commission** may not reduce the amount of the state share of a student based
25 on amounts available to the student by virtue of being the designated beneficiary of a college
26 savings network account established under ORS 178.300 to 178.360.

27 “(8) Subject to subsection (9) of this section, if the [*director*] **commission** determines that there
28 are insufficient moneys to award the state share to all qualified students, the [*director*]
29 **commission**:

30 “(a) May establish the maximum amount that a student may receive as a state share. This
31 amount may vary based on whether the student is attending an eligible post-secondary institution
32 on a [*half-time or*] full-time **or less than full-time** basis.

33 “(b) May establish procedures that prioritize awarding Oregon Opportunity Grants to qualified
34 students with the greatest financial need or whose circumstances would enhance the promotion of
35 equity guidelines published by the [*Higher Education Coordinating*] commission.

36 “(c) May not reduce the amount of the state share awarded to students in the low income range
37 in a greater proportion than the amount that the state share for students in other income ranges
38 is reduced.

39 “(9)(a) The [*Higher Education Coordinating*] commission shall adopt rules that prioritize current
40 foster children and former foster children for receiving Oregon Opportunity Grants when the Oregon
41 Opportunity Grant program does not have sufficient funding to serve all eligible Oregon students.

42 “(b) For the purposes of this subsection, ‘former foster child’ has the meaning given that term
43 in ORS 350.300.

44 “**SECTION 5.** ORS 348.250 is amended to read:

2 “(2) Persons interested in obtaining a grant established under ORS 348.260 may apply to the
3 [Director of the Office of Student Access and Completion] **commission** for a grant.

4 “(3) The [director] **commission** shall screen or cause to be screened the applications and shall
5 determine for each available grant the person best qualified to receive that grant. A qualified ap-
6 plicant is eligible to receive a grant established under ORS 348.260 if:

7 “(a) The applicant’s financial need is such that in the opinion of the [director] **commission** fi-
8 nancial aid is warranted; and

9 “(b) The applicant plans to be a student at the eligible post-secondary institution where the
10 grant is to be used.

11 “(4) The [director] **commission** shall not discriminate for or against any applicant for a grant.

12 “(5) Nothing in this section or ORS 348.260, 348.505 to 348.615, 348.696 or 348.992 shall be con-
13 strued to require any institution to admit a grant recipient or to attempt to control or influence the
14 policies of the institution.

15 “(6) Whenever funds are not available to award grants to all qualified students, the [director]
16 **commission** may give priority to applicants who are or plan to be full-time students at the eligible
17 post-secondary institution where the grant is to be used. A student shall be considered to be a
18 full-time student if the combination of credit hours at more than one eligible post-secondary insti-
19 tution equals full-time attendance, according to the institution disbursing the grant funds.

20 “(7) As used in this section, ‘discriminate’ has the meaning given ‘discrimination’ in ORS 659.850.

21 “**SECTION 6.** ORS 348.260 is amended to read:

23 Education Coordinating Commission may award Oregon Opportunity Grants to qualified students.

24 “(2) The amount of a grant shall equal the state share of a qualified student’s cost of education
25 as determined by the [Director of the Office of Student Access and Completion] **commission** and
26 comply with applicable rules and procedures described in ORS 348.205.

27 “(3) Grant funds necessary to meet matching requirements for federal funds may also be used
28 to award grants to qualified students in any eligible post-secondary institution approved by the
29 commission.

30 “(4) Grants may be awarded under this section to qualified students enrolled for any term, in-
31 cluding summer term. The commission may prescribe the method and date or dates by which a stu-
32 dent must apply to the commission to qualify for a grant.

33 “(5)(a) A qualified student who receives a grant under this section may apply for renewal of the
34 grant on an annual basis. The commission may not renew the grant if the qualified student has not
35 made a timely application for renewal of the grant.

36 “(b) The commission shall by rule establish academic standards and benchmarks that a qualified
37 student must meet to have the student’s grant renewed.

38 “(c) If a qualified student who receives a grant under this section makes a timely application for
39 renewal of the grant, meets the academic standards and benchmarks established by the commission
40 under this subsection and continues to meet all other grant eligibility criteria, the grant shall be
41 renewed for a second year of attendance at an eligible post-secondary institution.

42 “(d) Upon timely application by a qualified student who meets the academic standards and
43 benchmarks established by the commission under this subsection and who continues to meet all
44 other grant eligibility criteria, the commission may continue to renew the grant until the qualified
45 student has received the equivalent of four full-time undergraduate years of grant funding for an

1 eligible program as defined by the commission.

2 “(6)(a) The [*Director of the Office of Student Access and Completion*] **commission** shall inform
3 eligible post-secondary institutions of the identity of qualified students who attend the institution
4 and who receive a grant under this section for more than one academic year.

5 “(b) To the extent possible, eligible post-secondary institutions shall ensure that qualified stu-
6 dents identified under this subsection are made aware of the academic guidance and counseling
7 services available at the institution.

8 “(7) A qualified student who receives a grant under this section must attend the eligible post-
9 secondary institution upon which the grant application is based unless the [*Director of the Office of*
10 *Student Access and Completion*] **commission** authorizes the grant to be used at a different eligible
11 post-secondary institution. A qualified student who receives a grant under this section may attend
12 more than one eligible post-secondary institution if the grant application was based on the qualified
13 student attending more than one eligible post-secondary institution.

14 “(8) The commission may not make a grant award to any qualified student enrolled in a course
15 of study required for and leading to a degree in theology, divinity or religious education.

16 “(9)(a) The commission shall report annually on or before February 1 to committees of the
17 Legislative Assembly related to higher education regarding the academic success and performance
18 of qualified students who receive grants under this section.

19 “(b) In order to meet the reporting requirements set forth in paragraph (a) of this subsection:

20 “(A) The commission shall by rule design a method for evaluating the academic success and
21 performance of students who receive a grant under this section; and

22 “(B) Upon a request from the commission, eligible post-secondary institutions must provide the
