25 ment of State Police.

26 (6) Annually review the Chief Medical Examiner’s report prescribed by ORS 146.055 and report  
27 to the Superintendent of State Police and to the State Board of Health regarding the operation of  
28 the Office of the Chief Medical Examiner.

29 **SECTION 3.** ORS 146.035 is amended to read:

30 146.035. (1) There is established within the Department of State Police the Office of the Chief  
31 Medical Examiner for the purpose of directing and supporting the state death investigation program.

32 (2) The Chief Medical Examiner shall manage all aspects of the Office of the Chief Medical  
33 Examiner’s program.

34 (3) Subject to the State Personnel Relations Law, the Chief Medical Examiner may employ or  
35 discharge other personnel of the Office of the Chief Medical Examiner.

36 (4) The Office of the Chief Medical Examiner shall:

37 (a) File and maintain appropriate reports on all deaths requiring investigation **that are sub-**  
38 **mitted to the office by a county or district office of the county medical examiner.**

39 (b) Maintain an accurate list of all active [*district*] **county** medical examiners, assistant  
40 [*district*] **county** medical examiners and designated pathologists.

41 (c) Transmit monthly to the Department of Transportation a report for the preceding calendar  
42 month of all information obtained under ORS 146.113.

43 (5) Notwithstanding ORS 192.345 (36):

44 (a) Any parent, spouse, sibling, child or personal representative of the deceased, or any person  
45 who may be criminally or civilly liable for the death, or their authorized representatives respec-

1 tively, may examine and obtain copies of any medical examiner's report, autopsy report or labora-  
2 tory test report ordered by a medical examiner under ORS 146.117.

3 (b) The system described in ORS 192.517 (1) shall have access to reports described in this sub-  
4 section as provided in ORS 192.517.

5 **SECTION 4.** ORS 146.045 is amended to read:

6 146.045. (1) After consultation with the State Medical Examiner Advisory Board, the Chief  
7 Medical Examiner shall appoint each Deputy State Medical Examiner.

8 (2) The Chief Medical Examiner shall:

9 (a) Appoint and discharge each [*district*] **county** medical examiner as provided by ORS 146.065  
10 (2).

11 (b) Designate those pathologists authorized to perform autopsies under ORS 146.117 (2).

12 (c) Approve those laboratories authorized to perform the analyses required under ORS 146.113  
13 (2).

14 (3) The Chief Medical Examiner may:

15 (a) Assume control of a death investigation in cooperation with the district attorney.

16 (b) Order an autopsy in a death requiring investigation.

17 (c) Certify the cause and manner of a death requiring investigation.

18 (d) Amend a previously completed report on a death requiring investigation.

19 (e) Order a body exhumed in a death requiring investigation.

20 (f) Designate a Deputy State Medical Examiner as Acting Chief Medical Examiner.

21 (g) After a reasonable and thorough investigation, complete and file a report of death for a  
22 person whose body is not found.

23 [*(4) Distribution of moneys from the Chief Medical Examiner's budget for partial reimbursement*  
24 *of each county's autopsy expenditures shall be made subject to approval of the Chief Medical*  
25 *Examiner.*]

26 [(5)] (4) Within 45 days of receipt of information that a person is missing at sea and presumed  
27 dead, the Chief Medical Examiner shall determine whether the information is credible and, if so,  
28 complete and file a report of death for the person presumed dead. If the information is determined  
29 not to be credible, the Chief Medical Examiner may continue the death investigation.

30 [(6)(a)] (5)(a) If the Search and Rescue Coordinator and a county sheriff investigate a person  
31 missing in the wilderness or a forested environment and determine that the person is believed to  
32 be deceased, the sheriff shall send documentation of the investigation and determination to the Chief  
33 Medical Examiner.

34 (b) Within seven days after receiving documentation under paragraph (a) of this subsection, the  
35 Chief Medical Examiner shall evaluate the credibility of the investigation and the determination  
36 that the person is believed to be deceased.

37 (c) If the Chief Medical Examiner, based on the evaluation under paragraph (b) of this sub-  
38 section and the Chief Medical Examiner's field of expertise, determines that there is no reasonable  
39 suspicion that the person is not deceased, the Chief Medical Examiner shall complete and file a re-  
40 port of death for the person believed to be deceased within 45 days after making the determination.

41 (d)(A) If the Chief Medical Examiner, based on the evaluation under paragraph (b) of this sub-  
42 section and the Chief Medical Examiner's field of expertise, determines that there is a reasonable  
43 suspicion that the person is not deceased, the Chief Medical Examiner shall report to the sheriff  
44 with the basis for the determination and a list of any missing information that would aid the Chief  
45 Medical Examiner in evaluating the credibility of the investigation and the determination that the

1 person is believed to be deceased.

2 (B) Upon receiving a report under subparagraph (A) of this paragraph, the sheriff shall make a  
3 reasonable effort to provide the missing information listed by the Chief Medical Examiner.

4 (C) After issuing a report under this paragraph, the Chief Medical Examiner shall continue the  
5 death investigation in conjunction with the sheriff and the Search and Rescue Coordinator until the  
6 sheriff issues a final report on the missing person. If, at any time, the Chief Medical Examiner de-  
7 termines, based on the Chief Medical Examiner's field of expertise, that there is no reasonable sus-  
8 picion that the person is not deceased, the Chief Medical Examiner shall complete and file a report  
9 of death for the person believed to be deceased within 45 days after making the determination.

10 **SECTION 5.** ORS 146.055 is amended to read:

11 146.055. (1) The Chief Medical Examiner shall assist and advise *[district]* **county** medical exam-  
12 iners in the performance of their duties.

13 (2) The Chief Medical Examiner shall perform autopsies, if in the judgment of the Chief Medical  
14 Examiner **the Office of the Chief Medical Examiner has sufficient capacity to perform the**  
15 **autopsy and** such autopsy is necessary in any death requiring investigation, when requested by a  
16 **county** medical examiner or district attorney.

17 (3) The Chief Medical Examiner shall regularly conduct training programs for the *[district]* **of-**  
18 **ices of the county** medical examiners and law enforcement agencies.

19 (4) The Chief Medical Examiner shall submit an annual report to the State Medical Examiner  
20 Advisory Board detailing the activities and accomplishments of the state and each county office in  
21 the preceding year as well as a cost analysis of the Office of the Chief Medical Examiner.

22 **SECTION 6.** ORS 146.065 is amended to read:

23 146.065. (1) In each county **or district** there shall be a **county** medical examiner for the purpose  
24 of investigating and certifying the cause and manner of deaths requiring investigation.

25 (2) Each *[district]* **county** medical examiner shall be appointed by the Chief Medical Examiner  
26 with approval of the appropriate board or boards of commissioners and may be discharged by the  
27 Chief Medical Examiner without such approval.

28 (3) If the position of *[district]* **county** medical examiner is vacant, the local health officer shall  
29 temporarily act as medical examiner in cooperation with the Chief Medical Examiner until the va-  
30 cancy is filled.

31 (4) If the positions of *[district]* **county** medical examiner and local health officer are both vacant,  
32 the district attorney shall temporarily act as medical examiner in cooperation with the Chief Med-  
33 ical Examiner until the vacancy is filled.

34 (5) Two or more counties, with the approval of the State Medical Examiner Advisory Board and  
35 commissioners of each county, may form a district *[medical examiner's]* office **for the county med-**  
36 **ical examiner** instead of an **individual** office for each *[such]* county.

37 (6) When a county or district has a population of 200,000 or more persons, the Chief Medical  
38 Examiner may, with the approval of the State Medical Examiner Advisory Board, appoint a Deputy  
39 State Medical Examiner for that county or district.

40 (7) The compensation of the Deputy State Medical Examiner shall be paid by the state from  
41 funds available for such purpose.

42 (8) The services of the Deputy State Medical Examiner may be contracted by the Department  
43 of State Police. These contracts may be terminated by either party at any time by written notice to  
44 the other party to the agreement and, upon termination, the appointment of such Deputy State  
45 Medical Examiner is terminated.

1        **SECTION 7.** ORS 146.075 is amended to read:

2        146.075. (1) The [district] **county** medical examiner shall serve as the administrator of the  
3 **county or** district [medical examiner's] office **of the county medical examiner**. Subject to appli-  
4 cable provisions of a county personnel policy or civil service law, the [district] **county** medical ex-  
5 aminer may employ such other personnel as the [district] **county** medical examiner deems necessary  
6 to operate the office.

7        (2) All expenses of equipping, maintaining and operating the **county or** district [medical  
8 examiner's] office **of the county medical examiner**, including the compensation of the [district]  
9 **county** medical examiner and assistant [district] **county** medical examiners, shall be paid by the  
10 county or counties of the district from funds budgeted for such purpose.

11        (3) When a [district] **county** medical examiner also serves as local health officer, the county  
12 shall separately budget the compensation and expenses to be paid for medical examiner's duties.

13        (4) All expenses of death investigations shall be paid from county funds budgeted for such pur-  
14 pose *[except that, in counties under 200,000 population upon the approval of the Chief Medical Exam-*  
15 *iner, one-half of the costs of autopsies ordered under ORS 146.117 shall be paid annually by the state*  
16 *from funds for such purpose. If funds available for this payment are insufficient to meet one-half of*  
17 *these costs, even proportional payments to the counties shall be made].*

18        (5) Expenses of burial or other disposition of an unclaimed body shall be paid by the county  
19 where the death occurs, as provided by ORS 146.100 (2), in the manner provided by ORS 146.121 (4).

20        (6) Each **county or** district office shall maintain copies of the:

21        (a) Reports of death investigation by the medical examiner;

22        (b) Autopsy reports;

23        (c) Laboratory analysis reports; and

24        (d) Inventories of money or property of the deceased taken into custody during the investigation.

25        (7) Reports and inventories maintained by the **county or** district office shall be available for  
26 inspection as provided by ORS 146.035 (5).

27        (8) Copies of reports of death investigations by medical examiners and autopsy reports shall be  
28 forwarded to the Office of the Chief Medical Examiner.

29        (9) Each **county or** district office shall maintain current records of:

30        (a) All assistant [district] **county** medical examiners appointed.

31        (b) Appointments of each [medical-legal] **medicolegal** death investigator appointed for the county  
32 or district.

33        (c) The name, address and director of each licensed funeral home located within the county or  
34 district.

35        (10) Each **county or** district office shall immediately in writing notify the Office of the Chief  
36 Medical Examiner of all appointments and resignations of their **medicolegal death investigators**  
37 **and all resignations of their** medical examiners.

38        **SECTION 8.** ORS 146.080 is amended to read:

39        146.080. (1) Each [district] **county** medical examiner may appoint one or more assistant  
40 [district] **county** medical examiners.

41        (2) The qualifications of an assistant [district] **county** medical examiner shall be prescribed by  
42 the State Medical Examiner Advisory Board.

43        (3) When delegated by the [district] **county** medical examiner, an assistant [district] **county**  
44 medical examiner shall:

45        (a) Assist the [district] **county** medical examiner in investigating and certifying deaths.

1 (b) Have the authority and responsibility to investigate and certify deaths requiring investi-  
2 gation.

3 **SECTION 9.** ORS 146.085 is amended to read:

4 146.085. (1) The [district] **county** medical examiner shall appoint, subject to the approval of the  
5 district attorney and applicable civil service regulations, qualified [medical-legal] **medicolegal** death  
6 investigators, including the sheriff or a deputy sheriff and a member of the Oregon State Police for  
7 each county. Other peace officers may also be appointed as [medical-legal] **medicolegal** death in-  
8 vestigators.

9 (2) The [district] **county** medical examiner and the district attorney shall establish qualifications  
10 for [medical-legal] **medicolegal** death investigators.

11 (3) Each [medical-legal] **medicolegal** death investigator shall be individually appointed and the  
12 name of the [medical-legal] **medicolegal** death investigator shall be on file in the office of the [dis-  
13 trict] **county** medical examiner.

14 (4) A [medical-legal] **medicolegal** death investigator shall investigate deaths subject to the con-  
15 trol and direction of the [district] **county** medical examiner or the district attorney.

16 (5) A [medical-legal] **medicolegal** death investigator may authorize the removal of the body of  
17 a deceased person from the apparent place of death.

18 (6) The [medical-legal] **medicolegal** death investigator may not authorize embalming, order a  
19 post-mortem examination or autopsy, or certify the cause and manner of death.

20 **SECTION 10.** ORS 146.088 is amended to read:

21 146.088. A [district] **county** medical examiner, [medical-legal] **medicolegal** death investigator,  
22 assistant [district] **county** medical examiner or designated pathologist is deemed to be an officer or  
23 employee of a public body for purposes of ORS 30.260 to 30.300 while acting as a [district] **county**  
24 medical examiner, [medical-legal] **medicolegal** death investigator, assistant [district] **county** medical  
25 examiner or designated pathologist.

26 **SECTION 11.** ORS 146.090 is amended to read:

27 146.090. (1) The medical examiner shall investigate and certify the cause and manner of all hu-  
28 man deaths:

29 (a) Apparently homicidal, suicidal or occurring under suspicious or unknown circumstances;

30 (b) Resulting from the unlawful use of controlled substances or the use or abuse of chemicals  
31 or toxic agents;

32 (c) Occurring while incarcerated in any jail, correction facility or in police custody;

33 (d) Apparently accidental or following an injury;

34 (e) By disease, injury or toxic agent during or arising from employment;

35 (f) While not under the care of a physician *[during the period immediately previous to death]*  
36 **within one year prior to the date of death;**

37 (g) Related to disease which might constitute a threat to the public health; or

38 (h) In which a human body apparently has been disposed of in an offensive manner.

39 (2) As used in this section, "offensive manner" means a manner offensive to the generally ac-  
40 cepted standards of the community.

41 **SECTION 12.** ORS 146.095 is amended to read:

42 146.095. (1) The [district] **county** medical examiner and the district attorney for the county  
43 where death occurs, as provided by ORS 146.100 (2), shall be responsible for the investigation of all  
44 deaths requiring investigation.

45 (2) The medical examiner shall certify the manner and the cause of all deaths which the medical

1 examiner is required to investigate. The report of death shall be submitted to a county registrar as  
2 required by ORS 432.133.

3 (3) The medical examiner shall make a report of death investigation to the Chief Medical Ex-  
4 aminer as soon as possible after being notified of a death requiring investigation.

5 (4) Within five days after notification of a death requiring investigation, the medical examiner  
6 **or medicolegal death investigator** shall make a written report of the investigation and file it in  
7 the **county or** district [*medical examiner's*] office **of the county medical examiner**.

8 (5) The [*district*] **county** medical examiner shall supervise the assistant [*district*] **county** medical  
9 examiners and [*medical-legal*] **medicolegal** death investigators in cooperation with the district at-  
10 torney.

11 (6) The [*district*] **county** medical examiner shall regularly conduct administrative training pro-  
12 grams for the assistant [*district*] **county** medical examiners, [*medical-legal*] **medicolegal** death in-  
13 vestigators and law enforcement agencies.

14 **SECTION 13.** ORS 146.100 is amended to read:

15 146.100. (1) Death investigations shall be under the direction of the [*district*] **county** medical  
16 examiner and the district attorney for the county where the death occurs.

17 (2) For purposes of ORS 146.003 to 146.189, if the county where death occurs is unknown, the  
18 death shall be deemed to have occurred in the county where the body is found, except that if in an  
19 emergency the body is moved by conveyance to another county and is dead on arrival, the death  
20 shall be deemed to have occurred in the county from which the body was originally removed.

21 (3) The [*district*] **county** medical examiner or an assistant [*district*] **county** medical examiner for  
22 the county where death occurs shall be immediately notified of:

23 (a) All deaths requiring investigation; and

24 (b) All deaths of persons admitted to a hospital or institution for less than 24 hours, although  
25 the medical examiner need not investigate nor certify such deaths.

26 (4) No person having knowledge of a death requiring investigation shall intentionally or know-  
27 ingly fail to make notification thereof as required by subsection (3) of this section.

28 (5) The [*district*] **county** medical examiner or [*medical-legal*] **medicolegal** death investigator  
29 shall immediately notify the district attorney for the county where death occurs of all deaths re-  
30 quiring investigation except for those specified by ORS 146.090 (1)(d) to (g).

31 (6) All peace officers, health care providers as defined in ORS 192.556, supervisors of penal in-  
32 stitutions, supervisors of youth correction facilities, juvenile community supervision officers as de-  
33 fined in ORS 420.905, and supervisors of hospitals or institutions caring for the ill or helpless shall  
34 cooperate with the medical examiner or [*medical-legal*] **medicolegal** death investigator by providing  
35 a decedent's medical records and tissue samples and any other material necessary to conduct the  
36 death investigation of the decedent and shall make notification of deaths as required by subsection  
37 (3) of this section. A person who cooperates with the medical examiner or [*medical-legal*]  
38 **medicolegal** death investigator in accordance with this subsection does not:

39 (a) Waive any claim of privilege applicable to, or the confidentiality of, the materials and re-  
40 cords provided.

41 (b) Waive any claim that the materials and records are subject to an exemption from disclosure  
42 under ORS 192.311 to 192.478.

43 (c) Violate the restrictions on disclosing or providing copies of reports and other materials in  
44 ORS 419A.257.

45 (7) Records or materials described in subsection (6) of this section may be released by the

1 medical examiner or *[medical-legal]* **medicolegal** death investigator only pursuant to a valid court  
2 order.

3 (8)(a) If a death is suspected to be suicide and the decedent was 24 years of age or younger, the  
4 *[district]* **county** medical examiner or *[medical-legal]* **medicolegal** death investigator shall notify the  
5 local mental health authority in the county where the death occurred and, if the decedent was a  
6 member of a federally recognized Oregon tribe, shall also notify the tribe's mental health authority.

7 (b) For the purposes of this subsection, the manner of death is suspected to be suicide if the  
8 *[district]* **county** medical examiner, the assistant *[district]* **county** medical examiner, a pathologist  
9 authorized under ORS 146.045 (2)(b) or a designee of the *[district]* **county** medical examiner, includ-  
10 ing a *[medical-legal]* **medicolegal** death investigator, confirms orally or in writing that the *[district]*  
11 **county** medical examiner, assistant *[district]* **county** medical examiner, pathologist or designee of  
12 the *[district]* **county** medical examiner reasonably believes that the manner of death was suicide.

13 (c) The notification under this subsection must include the decedent's name, date of birth, date  
14 of death, suspected manner of death and cause of death.

15 (d) The notification under this subsection may include any other information that the *[district]*  
16 **county** medical examiner or *[medical-legal]* **medicolegal** death investigator determines is necessary  
17 to preserve the public health and that is not otherwise protected from public disclosure by state or  
18 federal law, including information regarding the decedent's school attended and extracurricular ac-  
19 tivities.

20 (e) The *[district]* **county** medical examiner or *[medical-legal]* **medicolegal** death investigator  
21 must provide the notification under this subsection no later than:

22 (A) 48 hours after receiving notification of the death if the county where the death occurred has  
23 a population of 400,000 or more; or

24 (B) 72 hours after receiving notification of the death if the county where the death occurred has  
25 a population of fewer than 400,000.

26 (f) As used in this subsection, "local mental health authority" has the meaning given that term  
27 in ORS 430.630.

28 **SECTION 14.** ORS 146.103 is amended to read:

29 146.103. (1) In a death requiring an investigation, no person shall move a human body or body  
30 suspected of being human, or remove any of the effects of the deceased or instruments or weapons  
31 related to the death without the permission of a medical examiner, *[medical-legal]* **a medicolegal**  
32 death investigator or the district attorney.

33 (2) No person shall move or remove any of the items specified in subsection (1) of this section  
34 if the medical examiner or district attorney objects.

35 (3) A medical examiner, district attorney or *[medical-legal]* **medicolegal** death investigator shall  
36 take custody of or exercise control over the body, the effects of the deceased and any weapons, in-  
37 struments, vehicles, buildings or premises which the medical examiner, district attorney or  
38 *[medical-legal]* **medicolegal** death investigator has reason to believe were involved in the death, in  
39 order to preserve evidence relating to the cause and manner of death.

40 (4) In a death requiring investigation, no person shall undress, embalm, cleanse the surface of  
41 the body or otherwise alter the appearance or the state of the body without the permission of the  
42 medical examiner or the district attorney.

43 **SECTION 15.** ORS 146.107 is amended to read:

44 146.107. (1) A medical examiner, *[medical-legal]* **medicolegal** death investigator or district at-  
45 torney may enter any room, dwelling, building or other place in which the medical examiner,

1 *[medical-legal]* **medicolegal** death investigator or district attorney has reasonable cause to believe  
2 that a body or evidence of the circumstances of death requiring investigation may be found.

3 (2) If refused entry, the medical examiner, *[medical-legal]* **medicolegal** death investigator or  
4 district attorney may apply to any judge authorized to issue search warrants for an order to enter  
5 such premises, search for and seize a body or any evidence of the cause or manner of death.

6 (3) Upon application supported by an affidavit setting forth facts and circumstances tending to  
7 show that a body or such evidence of death is in the place to be searched, the judge shall issue such  
8 order to enter and search and seize.

9 (4) To preserve evidence, a medical examiner, *[medical-legal]* **medicolegal** death investigator or  
10 district attorney may:

11 (a) Place under the custody or control of the medical examiner, *[medical-legal]* **medicolegal**  
12 death investigator or district attorney, or enclose or lock any room, dwelling, building or other en-  
13 closure for a period of not more than five days.

14 (b) Rope off or otherwise restrict entry to any open area.

15 (c) Forbid the entrance of any unauthorized person into the area specified under paragraphs (a)  
16 and (b) of this subsection.

17 (5) No person shall enter upon the enclosures or areas specified in subsection (4) of this section  
18 without the permission of the medical examiner, *[medical-legal]* **medicolegal** death investigator or  
19 district attorney.

20 **SECTION 16.** ORS 146.109 is amended to read:

21 146.109. (1) Upon identifying the body, the medical examiner shall immediately attempt to locate  
22 the next of kin or responsible friends to obtain the designation of a funeral home to which the de-  
23 ceased is to be taken.

24 (2) If unable to promptly obtain a designation of funeral home from the next of kin or responsi-  
25 ble friends, the medical examiner or *[medical-legal]* **medicolegal** death investigator shall designate  
26 the funeral home. In designating the funeral home, the medical examiner or *[medical-legal]*  
27 **medicolegal** death investigator shall be fair and equitable among the funeral homes listed in the  
28 office of the *[district]* **county** medical examiner.

29 **SECTION 17.** ORS 146.113 is amended to read:

30 146.113. (1) A medical examiner *[or district attorney]* may, in any death requiring investigation,  
31 order samples of blood, *[or]* urine **or vitreous fluid** taken for laboratory analysis.

32 (2) When a death requiring an investigation as a result of a motor vehicle accident occurs  
33 within five hours after the accident and the deceased is over 13 years of age, a blood **or vitreous**  
34 **fluid** sample shall be taken and forwarded to an approved laboratory for analysis. Such blood or  
35 *[urine]* **vitreous fluid** samples shall be analyzed for the presence and quantity of ethyl alcohol, and  
36 if considered necessary by the Chief Medical Examiner, the presence of cannabis or controlled sub-  
37 stances.

38 (3) Laboratory reports of the analysis shall be made a part of the Chief Medical Examiner's and  
39 *[district]* **county** medical examiner's files.

40 **SECTION 18.** ORS 146.117 is amended to read:

41 146.117. (1) A medical examiner or district attorney may order an autopsy performed in any  
42 death requiring investigation **and, following such order, the medical examiner shall perform the**  
43 **autopsy provided that the Chief Medical Examiner determines the Office of the Chief Medical**  
44 **Examiner has sufficient capacity to perform the autopsy.** This authorization for an autopsy  
45 shall permit the pathologist to remove and retain body tissues or organs from the deceased for the

1 purpose of the legal or medical determination of the manner or cause of death, or other purposes  
2 approved under policies established by the State Medical Examiner Advisory Board.

3 (2) If an autopsy is ordered, the medical examiner shall obtain the services of a pathologist au-  
4 thorized under ORS 146.045 (2)(b).

5 (3) A pathologist may not receive compensation for performing the autopsy if, as medical ex-  
6 aminer, the pathologist ordered the autopsy.

7 **SECTION 19.** ORS 146.125 is amended to read:

8 146.125. (1) The medical examiner, [*medical-legal*] **medicolegal** death investigator, district attor-  
9 ney or sheriff may temporarily retain possession of any property found on the body or in the pos-  
10 session of the deceased that in the opinion of the medical examiner, [*medical-legal*] **medicolegal**  
11 death investigator, district attorney or sheriff may be useful in establishing the cause or manner of  
12 death or may be used in further proceedings.

13 (2) When a medical examiner, [*medical-legal*] **medicolegal** death investigator, district attorney  
14 or sheriff assumes control or custody of money or personal property found on the body or in the  
15 possession of the deceased, the medical examiner, [*medical-legal*] **medicolegal** death investigator,  
16 district attorney or sheriff shall:

17 (a) Make a verified inventory of such money or property.

18 (b) File the inventory in the **county or** district [*medical examiner's*] office **of the county med-**  
19 **ical examiner.**

20 (c) Deposit the money with the county treasurer to the credit of the county general fund.

21 (3) If personal property is not retained by the medical examiner, [*medical-legal*] **medicolegal**  
22 death investigator, district attorney or sheriff, and is not claimed within 30 days, the inventory shall  
23 be filed with the board of county commissioners to be disposed of as follows:

24 (a) If the property has value, the board may order it sold and after deducting the cost of sale,  
25 shall deposit the proceeds of the sale with the county treasurer to the credit of the county general  
26 fund.

27 (b) If the property has no value in the judgment of the board, the board may order the sheriff  
28 to destroy such property.

29 (4) Any expenses incurred by the county in transporting or disposing of the body may be de-  
30 ducted from the money or proceeds of the sale of personal property before it is delivered to a  
31 claimant.

32 (5) If it appears that the person whose death required investigation died wholly intestate and  
33 without heirs, the county whose official has control or custody of the property shall notify an estate  
34 administrator of the State Treasurer appointed under ORS 113.235 within 15 days after the death.

35 (6) If a legally qualified personal representative, spouse, next of kin or estate administrator of  
36 the State Treasurer:

37 (a) Claims the money of the deceased, the county treasurer shall, subject to the provisions of  
38 subsection (4) of this section, deliver such money to the claimant.

39 (b) Within 30 days, claims the personal property of the deceased, the property shall be delivered  
40 to such claimant subject to the provisions of subsections (1) and (5) of this section.

41 (7) If money of the deceased is not claimed within seven years, the money is presumed aban-  
42 doned as provided by ORS 98.302 to 98.436 and 98.992 and the board of county commissioners shall  
43 order the county treasurer to deliver and report the money to the State Treasurer as required by  
44 ORS 98.352.

45 **SECTION 20.** ORS 146.135 is amended to read:

1 146.135. (1) The district attorney for the county where the death occurs may order an inquest  
2 to obtain a jury finding of the cause and manner of death in any case requiring investigation.

3 (2) For the purpose of conducting an inquest, the district attorney shall have the powers of a  
4 judicial officer as described by ORS 1.240 and 1.250.

5 (3) The district attorney shall advise the jury of inquest as to its duties and instruct the jury  
6 on questions of law.

7 (4) The district attorney shall cause a record of the inquest proceedings to be made which shall  
8 include the written order of inquest, a record of the testimony of witnesses and the written verdict  
9 of the jury.

10 (5) Within a reasonable time after the verdict is returned, the record of inquest shall be filed in  
11 the **county or** district [*medical examiner's*] office **of the county medical examiner** for the county  
12 where the inquest was held.

13 (6) A copy of the order of inquest and verdict of the jury shall be filed in the Office of the Chief  
14 Medical Examiner.

15 (7) The record of inquest shall be available for inspection as provided by ORS 146.035 (5).

16 **SECTION 21.** ORS 181A.080 is amended to read:

17 181A.080. (1) The Department of State Police and the members of the Oregon State Police are  
18 charged with the enforcement of:

19 (a) All criminal laws; and

20 (b) All laws applicable to highways and the operation of vehicles on highways.

21 (2) Each member of the state police is authorized and empowered to:

22 (a) Prevent crime.

23 (b) Pursue and apprehend offenders and obtain legal evidence necessary to ensure the conviction  
24 of the offenders in the courts.

25 (c) Institute criminal proceedings.

26 (d) Execute any lawful warrant or order of arrest issued against any person or persons for any  
27 violation of the law.

28 (e) Make arrests without warrant for violations of law in the manner provided in ORS 133.310.

29 (f) Give first aid to the injured.

30 (3) Each member of the state police has the same general powers and authority as those con-  
31 ferred by law upon sheriffs, police officers, constables and peace officers. A member of the state  
32 police may be appointed as a [*medical-legal*] **medicolegal** death investigator.

33 (4) The members of the state police are subject to the call of the Governor and are empowered  
34 to cooperate with any other instrumentality or authority of this state, or any political subdivision,  
35 in detecting crime, apprehending criminals and preserving law and order throughout this state, but  
36 the state police may not be used as a posse except when ordered by the Governor.

37 **SECTION 22.** ORS 433.449 is amended to read:

38 433.449. (1) As used in this section:

39 (a) "Contaminated material" means wastes or other materials exposed to or tainted by chemical,  
40 radiological, or biological substances or agents.

41 (b) "Transmissible agent" means a biological substance capable of causing disease or infection  
42 through individual to individual transmission, animal to individual transmission, or other modes of  
43 transmission.

44 (2) Notwithstanding any provision in ORS chapter 97 or 692, during a state of public health  
45 emergency, the Public Health Director may:

1 (a) Prescribe measures to provide for the safe disposal of human remains as may be reasonable  
2 and necessary to respond to the public health emergency. Measures adopted under this subsection  
3 may include the embalming, burial, cremation, interment, disinterment, transportation and disposal  
4 of human remains.

5 (b) Require any person in charge of disposing of human remains to clearly label the human re-  
6 mains of a deceased person with a communicable disease or transmissible agent with an external,  
7 clearly visible tag indicating that the human remains are infected or contaminated and, if known,  
8 the communicable disease or transmissible agent or contaminated materials present in the remains.

9 (c) After a medical examiner has certified the cause and manner of death, order a person in  
10 charge of disposing of human remains to dispose of the human remains of a person who has died of  
11 a communicable disease or transmissible agent through burial or cremation within a specified time  
12 period. To the extent practicable, religious, cultural, family and individual beliefs of the deceased  
13 person or the person's family shall be considered when disposing of any human remains.

14 (3) The Public Health Director must consult and coordinate with the Chief Medical Examiner  
15 when exercising authority under this section. Nothing in this section is intended to override au-  
16 thority granted to the Chief Medical Examiner or [*district*] **county** medical examiner under ORS  
17 146.003 to 146.189 and 146.710 to 146.992.
