

HB 2257-2  
(LC 685)  
1/27/23 (TSB/ps)

Requested by Representative HUDSON

**PROPOSED AMENDMENTS TO  
HOUSE BILL 2257**

1 On page 1 of the printed bill, delete lines 18 through 30 and insert:

2 “(4)(a) Moneys in the School Safety Construction Fund are continuously  
3 appropriated to the department for the purpose of making grants to school  
4 districts for school infrastructure construction projects. In making grants  
5 under this subsection, the department shall prioritize funding for projects  
6 that are urgently needed to protect student and faculty health, safety and  
7 welfare, including but not limited to projects that:

8 “(A) Remove asbestos, radon sources, mold and other hazards from, and  
9 remediate, reconstruct and renovate where needed, school buildings and  
10 other facilities;

11 “(B) Provide retrofitting against seismic events;

12 “(C) Install, repair, upgrade or replace heating, ventilation and air con-  
13 ditioning equipment and facilities, and sprinkler systems for fire suppression;

14 “(D) Remove sources of lead and other contaminants from drinking water  
15 and otherwise improve the safety of drinking water sources; and

16 “(E) Repair school building roofs, walls, interiors and foundations.”.

17 On page 2, delete lines 1 through 3.

18 In line 8, after the period delete the rest of the line and lines 9 through  
19 11 and insert “The department shall accept applications for grants under this  
20 section from any school district that the department determines is eligible  
21 under the criteria specified in this section and, in addition, from:
