19 **“(A)** That screening, health assessment, treatment and recovery services
20 for drug addiction are available to all those who need and want access to

27 in Oregon law that could conflict with or be interpreted to conflict with the
28 purposes and policy objectives stated in this section.

29 **“(4) As used in ORS 430.383 to 430.390, ‘recovery’ means a process**

26 of:

27 “(A) \$57 million multiplied by the percentage, if any, by which the
