14 “**SECTION 3.** ORS 656.260 is amended to read:

15 “656.260. (1) Any health care provider or group of medical service pro-
16 viders may make written application to the Director of the Department of
17 Consumer and Business Services to become certified to provide managed care
18 to injured workers for injuries and diseases compensable under this chapter.
19 However, nothing in this section authorizes an organization that is formed,
20 owned or operated by an insurer or employer other than a health care pro-
21 vider to become certified to provide managed care.

1 “(2) Each application for certification shall be accompanied by a reason-
2 able fee prescribed by the director. A certificate is valid for such period as
3 the director may prescribe unless sooner revoked or suspended.

4 “(3) Application for certification shall be made in such form and manner
5 and shall set forth such information regarding the proposed plan for provid-
6 ing services as the director may prescribe. The information shall include, but
7 not be limited to:

8 “(a) A list of the names of all individuals who will provide services under
9 the managed care plan, together with appropriate evidence of compliance
10 with any licensing or certification requirements for that individual to prac-

21 that the plan:

22 “(a) Proposes to provide medical and health care services required by this
23 chapter in a manner that:

24 “(A) Meets quality, continuity and other treatment standards adopted by
25 the health care provider or group of medical service providers in accordance

28 “(b) Subject to any other provision of law, does not discriminate against
29 or exclude from participation in the plan any category of medical service
30 providers and includes an adequate number of each category of medical ser-

1 vice providers to give workers adequate flexibility to choose medical service

3 However, nothing in the requirements of this paragraph shall affect the
4 provisions of ORS 441.055 relating to the granting of medical staff privileges.

5 “(c) Provides appropriate financial incentives to reduce service costs and
6 utilization without sacrificing the quality of service.

7 “(d) Provides adequate methods of peer review, service utilization review,
8 quality assurance, contract review and dispute resolution to ensure appro-
9 priate treatment or to prevent inappropriate or excessive treatment, to ex-
10 clude from participation in the plan those individuals who violate these
11 treatment standards and to provide for the resolution of such medical dis-
12 putes as the director considers appropriate. A majority of the members of
13 each peer review, quality assurance, service utilization and contract review
14 committee shall be physicians licensed to practice medicine by the Oregon
15 Medical Board. As used in this paragraph:

16 “(A) ‘Peer review’ means evaluation or review of the performance of col-

20 “(B) ‘Service utilization review’ means evaluation and determination of
21 the reasonableness, necessity and appropriateness of a worker’s use of med-

14 “(g)(A) Authorizes workers to receive compensable medical treatment
15 from a primary care physician or chiropractic physician who is not a member
16 of the managed care organization, but who maintains the worker’s medical
17 records and is a physician with whom the worker has a documented history
18 of treatment, if:

19 “(i) The primary care physician or chiropractic physician agrees to refer

25 the managed care organization; and

26 “(iii) The treatment is determined to be medically appropriate according
27 to the service utilization review process of the managed care organization.

28 “(B) Nothing in this paragraph is intended to limit the worker’s right to
29 change primary care physicians or chiropractic physicians prior to the filing
30 of a workers’ compensation claim.

1 “(C) A chiropractic physician authorized to provide compensable medical

23 tivities as well as authorization of medical services to be provided by other
24 than an attending physician pursuant to ORS 656.245 (2)(b) shall be subject
25 to review by the director or the director’s designated representatives. The
26 decision of the director is subject to review under ORS 656.704. Data gener-
27 ated by or received in connection with these activities, including written
28 reports, notes or records of any such activities, or of any review thereof,
29 shall be confidential, and shall not be disclosed except as considered neces-
30 sary by the director in the administration of this chapter. The director may

1 report professional misconduct to an appropriate licensing board.

2 “(8) No data generated by service utilization review, quality assurance,
3 dispute resolution or peer review activities and no physician profiles or data
4 used to create physician profiles pursuant to this section or a review thereof
5 shall be used in any action, suit or proceeding except to the extent consid-
6 ered necessary by the director in the administration of this chapter. The
7 confidentiality provisions of this section shall not apply in any action, suit
8 or proceeding arising out of or related to a contract between a managed care
9 organization and a health care provider whose confidentiality is protected
10 by this section.

11 “(9) A person participating in service utilization review, quality assur-
12 ance, dispute resolution or peer review activities pursuant to this section
13 shall not be examined as to any communication made in the course of such
14 activities or the findings thereof, nor shall any person be subject to an
15 action for civil damages for affirmative actions taken or statements made in
16 good faith.

17 “(10) No person who participates in forming consortiums, collectively ne-
18 gotiating fees or otherwise solicits or enters into contracts in a good faith
19 effort to provide medical or health care services according to the provisions
20 of this section shall be examined or subject to administrative or civil liabil-
21 ity regarding any such participation except pursuant to the director’s active
22 supervision of such activities and the managed care organization. Before
23 engaging in such activities, the person shall provide notice of intent to the
24 director in a form prescribed by the director.

25 “(11) The provisions of this section shall not affect the confidentiality or
26 admission in evidence of a claimant’s medical treatment records.

27 “(12) In consultation with the committees referred to in ORS 656.790 and
28 656.794, the director shall adopt such rules as may be necessary to carry out

4 “(14) Notwithstanding ORS 656.005 (12) or subsection (4)(b) of this section,
5 a managed care organization contract may designate any medical service

7 “(15) If a worker, insurer, self-insured employer, the attending physician

14 care organization has completed and issued its final decision.

15 “(16) Upon a request for administrative review, the director shall create
16 a documentary record sufficient for judicial review. The director shall
17 complete administrative review and issue a proposed order within a reason-
18 able time. The proposed order of the director issued pursuant to this section
19 shall become final and not subject to further review unless a written request
20 for a hearing is filed with the director within 30 days of the mailing of the
21 order to all parties.

22 “(17) At the contested case hearing, the order may be modified only if it
23 is not supported by substantial evidence in the record or reflects an error
24 of law. No new medical evidence or issues shall be admitted. The dispute
25 may also be remanded to the managed care organization for further evidence
26 taking, correction or other necessary action if the Administrative Law Judge
27 or director determines the record has been improperly, incompletely or oth-

30 “(18) Any person who is dissatisfied with an action of a managed care

1 organization other than regarding the provision of medical services pursuant
2 to this chapter, peer review, service utilization review or quality assurance
3 activities may request review under ORS 656.704.

4 “(19) Notwithstanding any other provision of law, original jurisdiction
5 over contract review disputes is with the director. The director may resolve
6 the matter by issuing an order subject to review under ORS 656.704, or the
7 director may determine that the matter in dispute would be best addressed
8 in another forum and so inform the parties.

9 “(20) The director shall conduct such investigations, audits and other
10 administrative oversight in regard to managed care as the director deems
11 necessary to carry out the purposes of this chapter.

12 “(21)(a) Except as otherwise provided in this chapter, only a managed care

28 the nature or extent of a worker’s injury; or

29 “(C) Treatment provided by a medical service provider or transportation
30 of a worker in an emergency or trauma situation.

1 “(c) Except as provided in paragraph (b) of this subsection, if the director
2 finds that a person has violated a provision of paragraph (a) of this sub-

4 not to exceed \$2,000 for each violation.

5 “(d) If violation of paragraph (a) of this subsection is repeated or willful,
6 the director may order the person committing the violation to cease and
7 desist from making any future communications with injured workers or
8 medical service providers or from taking any other actions that directly or
9 indirectly affect the delivery of medical services provided under this chapter.

10 “(e)(A) Penalties imposed under this subsection are subject to ORS 656.735
11 (4) to (6) and 656.740.

12 “(B) Cease and desist orders issued under this subsection are subject to
13 ORS 656.740.”.
