

Submitter: Abby Metzger

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB774

Hello,

I strongly oppose this. These are our tax dollars that we deserve to get back. The State of Oregon, Multnomah County in particular, has had a free for all in spending AND raising our taxes. There needs to be accountability in how our tax dollars are spent. And keeping surplus monies instead of reinvesting in your citizens should be criminal.
