

Submitter: Polly Wheeler

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SJR26

I urge you to not support this bill. Oregon citizens voted on this in 2000, and they continue to support having surplus be returned to citizens. It is irresponsible and poorly conceived to change this decision without involvement of the citizens that are finding it. We see very little return for our massive taxes- give the surplus back to citizens who can use it better!!!
