

Submitter: Rene Jones
On Behalf Of: Myself and my family
Committee: Senate Committee On Finance and Revenue
Measure: SJR26

Our business has recently had to pay an extra 10k per year to Oregon because of the CAT tax; then an adjustment to Oregon tax with respect to S-Corporations resulted in our organization paying extra taxes (of about 2k). And now you want to not return the kicker! I would suggest that Oregon is taxing their businesses and constituents at crazy high levels. Enough on the tax increases. Use the tax dollars more effectively!
