

Submitter: Paul Finley

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB774

The kicker law as it is written is returning taxpayer dollars their money, which is the right thing to do with a surplus. Changing this law without a general vote feels unconstitutional and should not be allowed. If this is the right thing to do, let the will of the people decide this in a popular vote. Handling it this way is shady. Paul
