Committee: Senate Committee On Finance and Revenue

Measure: SB774

I thought the voters were behind returning the over-collection of monies above what the State's budget was set as. Why is it that our legislators now want to portray themselves as thieves and steal that extra money? This behavior on your part calls in to question what degree of morals do you folks actually adhere to? "Thieving Devils" would be an apt moniker for each and every legislator who votes in favor of this kind of thievery.
