

Submitter: vanessa mariscal

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB774

Hello

I'd like to oppose this measure if it means you are not willing to give hard working Oregonians our tax money back. Waste waste waste is what happens here.

I work more than one job to lead a happy life. I'd like my tax money to work for us.

Not against.

Thank you.
