Measure: SJR26

I oppose this Resolution as it is theft. You do not have the right to continue to over tax Oregonians because of your failure to come up with a reasonably close budget plan.

Making it worse you want to now keep the tax theft and send our stolen money to your social programs that we don't support so the programs will then send the money back to your Socialist PACs creating a money laundering cesspool to continue you tyrannical behavior.

Absolutely not!!!!

It's our money that we earned during a time that Democrats in our State and Nation have already hamstrung with massive bills, excessive food cost, disastrous building costs and unaffordable housing.

Start doing what the people of Oregon want which is to NOT pass this bill
