

Submitter: Kelly Johnson

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB774

On behalf of myself who is a lifelong Portland resident and my 2 children who just started paying taxes as 18 year olds, I absolutely disagree with keeping this money. I have been a single mom, fortunate enough to own a house with help of family, but paid 6500 in property taxes and 1k in income tax. And the arts tax.

Please show specific results with the money you ALREADY HAVE before you keep the billions from hard working people.

It has become absolutely insane the account of money this state spends with wild abandon.

Slush funds and Laredo lawsuits and risk management.

No.

Absolutely not.
