On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB774

Dear Senate Committee on Finance and Revenue,

I urge you to vote NO on SB 774. Oregon taxes should be limited. Excessive taxation leads to unemployment, poverty, lower personal income and business revenues, and reduced growth. Hardworking Oregonians deserve to keep their tax kickers and refunds. Please vote NO on SB 774. This is not your money to keep!

Respectfully,

Sheri Brady
