On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB774

I humbly request that you return the taxpayers money to the taxpayers. It's not your money to do with as you choose, it's our money. You collected too much, so return the excess to its rightful owners as mandated by the Oregon Constitution. The Constitution doesn't need updating so you can spend more; you've already demonstrated that you're great at spending and not so great at results.

You've mis-managed millions (Columbia River Crossing where \$100,000,000 went to a "study" with no tangible results, and \$200,000,000 to Cover Oregon), so I'm not inclined to follow good money with bad. No, you don't get to keep my money.
