

Submitter: Virginia Herndon  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HB3414

I oppose HB 3414.

It is our LOCAL governments who are best suited to determine variance issues for housing developments. If this bill is passed communities throughout our State lose protections assured by local governments through Statewide Land Use Goal 5.

Those of us who live in the affected communities should be the ones who decide what is best for cities, towns and rural areas. Our historic landmarks and districts should be protected.
