

Submitter: Bill Northrup

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SJR26

I do not want to take away our Kicker. We have had wages go down because of inflation, and gas, and many depend on all these. Leave it alone. You are not doing the people's work. You are doing what you want to do. Any time you want to change something, it has to go through the Senate/Representatives and WE get to vote on what WE want to do with it. We need this. Do not change anything.
