

Submitter: Elizabeth Hogate

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SJR26

As an Oregonian I do not consent to any amendment's to the states constitution that will result in our public service employee's stealing money from the citizens. As a state senator and or representative you are public service employees. You work for me, for the citizens in your state. Stealing money from the citizens is not serving them.
