

Submitter: Heather King

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB774

I am writing in opposition to this bill as it is irresponsible and an affront to the people of Oregon to keep money that since 1979 has been a stable of the balance between taxes collected and the state budget. To undo a law that has been in place for 44 years because there is currently a large surplus and with NO plan on what to do with the extra funding is again irresponsible and unconscionable.
