

Submitter: Melanie Normand

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB502

I'm opposed to any change to our constitutional right to our kicker. Irresponsible budgeting and spending is not our burden. Inflation is already killing tax payers and we deserve our kicker that WE put in the constitution to hold government accountable. This is grossly inappropriate for the economic situation most families are facing. Deal with your budget without touching OUR money.
