

Submitter: Steve Dotterer  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HB3414

I support the objectives of the legislation but want to see all goal 5 resources, including historic and cultural resources, included in the amendments that continue the protections for resources. The latest versions of the bill will provide the ability to meet the housing unit objectives of the bill without endangering the state objectives for resources if the amendments are broadened to include historic and cultural resources.
