Testimonies submitted for [SJR 26] can be seen below:

Senator Frederick [<https://www.oregonlegislature.gov/frederick>] and
Senator Jama [<https://www.oregonlegislature.gov/jama>]:

Senators Frederick and Jama, You are entitled to your opinions, as am I.

[SJR 26] is a mean-spirited and politically incompetent piece of Legislation serving only to irritate Oregonian taxpayers. I urge you both to reconsider positions on [SJR 26] withdraw the Measure from further consideration, apologize for your piss-poor decision to 'rip-off' Oregonians and on weekends for at least one (1) year, pick-up trash on the sides of Oregon's roadways as your contrite acts of the penitent.

Leave the 'Kicker' just where it is and begin to reduce the bloated and obese Housing and Community Services Department.

Read [SB 5511 (2023 Regular Session)] as seen below.

<https://olis.oregonlegislature.gov/liz/2023R1/Downloads/MeasureDocument/SB5511/Introduced>

Scroll down and Read "Section 5"

"[\$155,800,792] taxpayer dollars is to be spent just to pay the "Debt service" on Bonds.

When the Oregon Legislature acquires so much debt for the Housing and Community Services Department and the service on the debt incurred is [\$155,800,792] "heads should have rolled a long time ago."

Leave the "Kicker" alone.

David S. Wall

Mr. Oregon Concurr and says, "Please resign from your elected positions without delay and do not seek any future elected and or appointments to public office."
