Measure: SJR26

I am writing on behalf of all Oregonians who are tax paying citizens. Please return surplus funds back to Oregonians. It is unfathomable that this is even being considered to take money away from taxpayers after it was voted in 2000 to give funds back if there was a surplus. If there wasn't so much "free" money being given away it probably wouldn't be on the table to take more from those of us who do pay our taxes.
