

Submitter: Alexandra Bruckner

On Behalf
Of:

Committee: Joint Committee On Ways and Means Subcommittee On General
Government

Measure: HB2763

I oppose the use of taxpayer funds to create a task force to study the implementation of a State Bank. Anything "State" is a red flag to me, as it pulls away from the smaller, more localized communities and operations. The creation of a "State Bank" could lead to the usurpation of the legislative branch when it comes to the spending of taxpayer funds. I oppose HB 2463.
