On Behalf Of:

Committee: House Committee On Rules

Measure: HB3414

Please oppose amendment -17 of the bill This allows sprawl loss of farmland and reduces incentives to do the hard work of developing underused lands with the UGBs. Do not allow the softening of the Oregon land use process of preserving and carefully assessing the expansion of UGBs without first exhausting the existing buildable lands within the UGB. Pleas keep oregon Oregon please voté against this amendment
