

Submitter: Jeffrey Green
On Behalf Of:
Committee: House Committee On Rules
Measure: HB3414

I used to build affordable housing but have not done it in several years now. The reason is the cost of land. Let's help fix this.

“Please support HB3414-17! By allowing for modest and reasonable expansions of urban growth boundaries into already designated urban reserves, HB3414-17 would provide our cities with a new tool to help address our state’s severe underproduction. Both small and large cities need every tool available to them to develop more housing, create jobs, and bring down costs for Oregon families. SUPPORT on HB3414-17!”

Thanks,
Jeff Green
