

Submitter: Peter Bachman

On Behalf Of:

Committee: Senate Committee On Rules

Measure: HB2004

I want to end the partisan rancor that has replaced reasoned debate with contempt. I want our choice of representatives to represent the the most important values we all hold in common, not the extremes of hyperbole. It's a problem that has persisted since the end of George Washington's presidency. I want ranked choice voting for Oregon and the nation.
