Measure: HB2107

Dear Senators,

Thank you for your service. I oppose Bill 2107. The Oregon Health Authority has no business getting involved in voter registration. It is a matter for the Secretary of State's office. In Oregon it's already super easy for people to register to vote if they want to. If they can't be bothered to register, they don't want to vote very bad. This just seems like a scheme to register voters that may not even be legal citizens of this state, or even this country. Please vote no on this bill.

Thank You,
Karen Schmidlin
