

Submitter: Kelly Sloop  
On Behalf Of:  
Committee: Senate Committee On Rules  
Measure: HB2004

Dear legislators,

As a native Oregonian and Oregon resident for almost 60 years, I strongly oppose ranked-choice voting! I want my vote and EVERY Oregon citizen's vote to count, not based on an algorithm. Oregon is losing sight on common sense and we must restore balance.

Please vote no!

Sincerely,  
Kelly Sloop
