

Submitter: Lauren Peck
On Behalf Of:
Committee: Senate Committee On Rules
Measure: HB2004

What on earth is wrong with you people?! Do you sit around coming up with ways to take more and more rights away from your citizens?! We have a CONSTITUTIONAL RIGHT in this state and country to have our vote counted, and this bill spits in the face of that. As an American citizen who believes in the Founding Fathers and their fight against "taxation without representation" with the British, I ABSOLUTELY OPPOSE this bill. Our votes as individual citizens should be counted and recognized without any need to mathematical manipulation by politicians. You want my vote? EARN IT. I say NO to this horrific bill. Now start working to actually improve this joke of a state instead of this crap.
