

Submitter: Mike Slagle
On Behalf Of:
Committee: Senate Committee On Rules
Measure: HB2004

I strongly oppose this unfair way of choosing our government who are supposed to work for Americans. It has become apparent that this is yet another way to keep one party in power indefinitely. We Oregonians are weary and tired of the condition of our state. It needs new leadership who will work for ALL of Oregon's citizens.

Please no rank choice voting! It is yet another bill that sounds good on top but will further alienate voters.
