

Submitter: Karee McCollum

On Behalf Of:

Committee: Senate Committee On Rules

Measure: HB2004

This looks like the beginning of the establishment of "The Man". What would be the point of voting at all if this will divide us like The Hunger Games. I feel as if I should be looking for a Handmaiden husband if I was to remain an Oregonian. This rule would set the downfall of democracy in this state. If Oregon is so liberal, why create an establishment of monarchy?

No, No, No and NO!!!!!!
