

Submitter: Rebecca Baker

On Behalf Of:

Committee: Senate Committee On Rules

Measure: HB2004

Ranked Choice voting is being implemented successfully in a number of states already with much success. Primaries have proven to elevate the most extremist candidates. This will be a check on that nauseating reality. Please support Ranked Choice voting; it really makes sense. Anything and everything we can do to promote fairness in voting can and should be considered seriously, especially in this time when our democratic right to have our vote count is in such jeopardy.
