Chair Jama, Vice Chair Anderson, and Committee Members:

I am a senior retiree on a fixed income and have modest resources. I live in a community where the rent also includes utilities, meals and transportation. That means my "rent" is well above the average apartment rent. Percentage increases on my rent amount increases that percentage increase on all the extras I pay for.

Please support the passage of SB 611 to help control rent increases and puts a cap on the amount of increases I might expect in a year.

Thank you for your consideration.

Sincerely,

Elizabeth Weldy
