

February 26, 2023

Chair Jama, Vice Chair Anderson, and Members of the Committee:

As a senior retiree, I am on a fixed limited income and have modest resources.

Please support SB 611 to help control large rent increases.

As a senior living in a rental that includes utilities, meals and transportation in our basic rent, that rent is well above the average apartment rent. Percentage increases covering all of the bill is much more than just rent.

Thank you for your consideration.
