Namaskar

My name is Keshavan (pronounced "K7") Tiruvallur. I have been a resident of Hillsboro and Tigard for almost 40 years. I was employed by Intel Corp in Hillsboro for ~33years. I retired from Intel as Intel Fellow in 2016 and after working in a couple of other companies, now am back at Intel consulting. I am one of the City of Tigard Planning Commissioners, serving my second term. My spouse is a Dentist - an alumnus of Oregon Health Sciences University. She retired from Gentle Dental (Tigard) after ~25years of service. Our children were born, brought up and educated here in Oregon. Our daughter is gainfully employed at the Portland Art Museum. Son is a senior in college. They are both well on their path to be productive and model citizens of this great nation.

The great state of Oregon has become our home, provided us the opportunity to grow professionally and a supportive community to educate and bring up our children. Oregon has also been encouraging and supportive of us continuing to cherish our Indian culture, traditions and heritage at the same time.

I am very glad that the Oregon Legislature is set to recognize the Indian Community on the occasion of the 75th Year of Independence. I request all of your support to this Concurrent Resolution.

Thank you.

Sincerely,

Keshavan Tiruvallur
