Namaskar,

My name is Sridhar Jayaraman and I have lived in Washington county for the past 27 years. I have been employed as an engineer at Intel Corporation for as many years as I have been in Oregon. My spouse, who joined me in Portland in '97 has been in Oregon since and currently works from home for a Medical instrumentation company. She currently serves on the Oregon Workforce and Talent Development Board appointed by previous Governor Kate Brown. We have been raising 2 children here in Oregon. One of them, after having completed all schooling from Oregon, has now got her undergraduate degree and is employed. The other is continuing here education here in Oregon and is attending an on-line high school headquartered in Lake Oswego, OR.

This great state of Oregon is our home. It has provided us with the opportunity to grow socially and professionally, while building and sustaining a supportive community to support all facets of our lives. Oregon has also been encouraging and supportive of us continuing to cherish our Indian culture, traditions and heritage and to this we owe a lot.

I am very glad that the Oregon Legislature is set to recognize the Indian Community on the occasion of the 75th Year of Independence. I request all of your support to this Concurrent Resolution (LC 3033 -2023 regular session , a concurrent resolution sponsored by Rep Ken Helm)

Thank you,

Sridhar Jayaraman
