Namaste and Hello,

My name is Sunita Garg. I have lived in Oregon with my husband for last 35 years. Both our kids were born and raised in Oregon. I feel humbled and honored to be the first Indian to serve as a Board Member on the Beaverton School District. Oregon has provided us opportunities to fulfill our dreams and also to serve and make it possible for others to do the same. It gives me great pleasure to see that Oregon legislature will be recognizing the Indian community on the 75th year of Independence. I request your support for this resolution.

Warm regards,  
Sunita Garg (she/her)
