Greetings,

My name is Narjala Bhasker, and I have been a resident of Washington County for over 40 years. I am now retired after a 32-year career in engineering at Intel and a local startup, Oresis Communications. My wife, Shanda, also a retired Intel engineer, has lived in Washington County her entire life graduating from Sunset High and Pacific University.

The state of Oregon has become our home, provided us the opportunity to grow professionally, and has been a supportive community to educate and bring up our children. Oregon has also been supportive of Indian culture, traditions, and heritage.

Now retired, I am attempting to give back by volunteering in the community as a Board Member of the Raleigh Water District, a driver for Meals on Wheels People, and a SMART Reading reader.

I am very glad that the Oregon Legislature is proposing to recognize the Indian Community marking the 75th Year of Indian Independence. I request all your support for this Concurrent Resolution.

Thank you
