Measure: HCR8

- I am writing in support of HCR 8. As a veterinarian, I see how much dogs and cats mean to Oregonians. People who adopt dogs from shelters and rescues are especially proud of their pets as they should be. HC8 would help promote more adoptions of dogs and cats from animal shelters. This would then help more homeless dogs and cats find homes. More homes means less cost of keeping them in shelters, but more importantly, it means more happy pets and people. HCR 8 would also honor the hard-working staff and volunteers at Oregon's numerous animal shelters, along with all the compassionate Oregonians who choose to give shelter dogs and cats another chance by adopting them.

- Please consider HC8,

Sincerely,
