On Behalf Of: Mr Oregon Supports HB 2029  
Committee: House Committee On Rules  
Measure: HB2029

Wednesday {01.18.23}

I SUPPORT [HB 2029].

Any piece of legislation to increase the 'type size' on government documents is most appreciated.

Too bad the 'type size' is not set at '11' or higher.

Mr. Oregon Concurs...(Type size should be '12' for starters).
