

Representative Gomberg and Senator Sollman:

I am writing in support of HCR 8. Designating rescue dogs and cats as the official state pet helps solidify Oregon as one of the most pet-friendly states in the country. Oregonians are extremely compassionate people who love their pets as much as their human families. I can't think of a better official state pet!

Thank you for your consideration!

Anne Haynes, Director of Development (and rescue dog owner)

Oregon Friends of Shelter Animals
