

Submitter: David Wall  
On Behalf Of: Mr Oregon Opposes SB 307  
Committee: Senate Committee On Judiciary  
Measure: SB307

Wednesday [01.18.23]

I OPPOSE [SB 307].

The date of filing exceptions, the unknown time of processing the exceptions delivered to the Judge...It is foreseeable, a Judge may easily exceed the twenty(20) days before making a ruling and therefore the judgement of the Arbitrator as to costs and attorney fees becomes final.

This is one 'High-wire act' too many for me.

David S. Wall

Mr. Oregon Concur.
