On Behalf Of: Mr Oregon Supports HB 2253

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure: HB2253

Friday [01.20.23]

I SUPPORT [HB 2253] with at least 'two' amendments.

The first Amendment I wish incorporated into the "Text of [HB 2253]"...upon conviction of growing an illegal crop...the farm is to be seized by the State and sold at a Public Auction. Proceeds to fund Law Enforcement Operations and the Oregon Department of Fish and Wildlife. The Land is to be solely conditioned to remain 'Farmland' retaining all "...farm use special assessments..."and farm equipment.

The second Amendment concerns itself; If Illegal Aliens aka "Narco-terrorists" are in any part of the illegal crop grown on subject farm, they are to be Jailed without Bail until Federal Authorities take them into custody. Again, if the Jails are too full with criminal "Narco-terrorists", activate Military Police Units within the Oregon State National Guard to construct and staff stockades to house the 'Narco-terrorists' for future disposition.

Mr. Oregon Concurs...It is way past time to "get tough."
