Measure: HB2281

Oppose HB2281! This bill requires school districts and public charter schools to designate a civil rights coordinator.

Oregon's education system is in a downward spiral. The math and english scores on state testing were abysmal. Oregon is in the top 10 for dollars per student but the bottom 5 for results. We need to stop spending money on things like what HB2281 is proposing and focus our resources on what matters: Teaching Reading, Writing, and Arithmetic.

Please stop this bill in its tracks now.

Thank you!
