Committee: House Committee On Behavioral Health and Health Care

Measure: HB3013

I am a pharmacist and in support of pharmacy benefit managers to be licensed by Department of Consumer and Business Services beginning January 1, 2024, and imposes new requirements on pharmacy benefit managers. It is vital to Oregonians that PBM are held to the same standards and rules. Drug pricing and fees should be the same/similar as Medicaid fee for services and contracts should be negotiable to allow fair competition.

We need to support are local pharmacies and make it fair how we do business in regards how our medications needs are provided. Thanks so much for your time.

Sincerely,
Grace
