I SUPPORT [HB 2328]...until a more harsh and "just "punishment can be implemented.

Court decisions to permit the ghastly acts of depravity, wrought upon children should be nullified.

Judges who make such determinations, requiring the construct of **[HB 2328]**, whether elected and or appointed, should be, by statute, summarily "removed from the bench" with dispatch and extreme prejudice.

David S. Wall

Mr. Oregon Concurr...But, change the law concerning "punishment" of the convicted to, "Public Hanging."
