Statement of Allison Walkowski in support of Senate Bill 420

Dear Members of the Senate Committee on Human Services:

I'm writing to communicate my strong support of SB 420, providing resource navigation to Oregonians with brain injury.

I am a survivor of brain injury and I am in support of SB 420. This bill will help all Oregonians with brain injury and their caregivers receive better access to the support and services they need. This is especially critical for those from systemically underserved communities.

I request that you support SB 420. Brain injury resource navigation will be life changing for so many.

Signed,
Allison Walkowski
