On Behalf Of: The People of Donald

Committee: Senate Committee On Veterans, Emergency Management, Federal and World Affairs

Measure: SB728

I am pleased to add my support to SB 728. My city and the surrounding unincorporated areas rely on volunteer firefighters for emergency services. Attracting and retaining volunteer firefighters is extremely challenging. The potential for a \$1,000 tax credit would be a small token of respect for their selfless acts. I urge passage of this bill.

Full disclosure: I am also a Director of the Aurora Rural Fire Protection District #63.
