

RE: Support Guaranteeing the Right to Vote, SB 579  
Senate Committee on Judiciary  
January 25, 2023

Chair Prozanski, Vice Chair Thatcher, and members of the  
Senate Committee on Judiciary,

My name is Gail Sanford and I live in Oak Grove. I am writing to testify in support for Guaranteeing the Right to Vote, SB 579, which will ensure every eligible Oregonian can register to vote, update their voter registration, and vote in elections based on where they resided prior to incarceration.

The right to vote is enshrined in our constitution and fundamental to a vibrant and participatory democracy. Yet, around 12,000 people in Oregon are currently denied their right to vote, leading to the disproportionate disenfranchisement of low-income, Black, Indigenous, and Latine people. Guaranteeing the Right to Vote fulfills the promise of our democracy while improving public safety, and addressing racial and socioeconomic inequities.

All of us in Oregon need to take part in shaping our state by voting, the more the better.

Connection to community through civic engagement while incarcerated leads to healthier communities, that voting is a civic right and responsibility, and that we can address unjust impacts of mass incarceration.

I am not alone in my support for this important bill. This legislation is supported by over 40 civil rights organizations, faith-based groups, as well as dozens of currently and formerly incarcerated people. Please ensure that Guaranteeing the Right to Vote, SB

579, is passed out of committee.

Thank you,
